James F Romero

Hamburgers have been with us for years. They are part of our modern life. Whenever we go out my son always asks for hamburgers. He likes them so much that I have to make them at home for him. The ones I make at home are so much better than the ones you buy at fast food outlets. You know what goes into them, you know that all of the ingredients are quality and you know that they are cooked well. This book gives you the recipes to produce your own fantastic hamburgers that will impress your family and friends whether they pop round for a snack or come to a special BBQ. As the Burger idea has drifted throughout the known world different cultures have put their mark on it. This book gives you those world recipes for the hamburger whether you fancy a genuine US burger or a French romantic version we have the burgers for you! So, don't just put up with your usual cobbled together burger get this book and develop your repertoire of exciting hamburgers.
