Times are changing, and we must stay in God's timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you. God has called His people to have transformed minds and to be linked to the Head--not to bring up the rear in producing the changes around us. When we are at the right place at the right time, we can break out of confusing, mind-altering powers that war against God and all the blessings He is ready to pour upon us. The author is writing this book to help us understand how to enter a new level of freedom and victory. This book is like a war manual that will help you stay free from the enemy's vexing power as you journey through life. This installment of the Time trilogy will teach you how to war in time. Your battles are now! God reconciles our past so that our now opens up to our future. Your defeats in a former season will now become the victories and triumphs for your future.
