New from bestselling author Yasmin Porter...

Charlie White is no stranger to being underestimated. As a young woman trying to catch a break in the highly competitive field of photojournalism, she's used to being patronized, overlooked, and dismissed. When she gets the opportunity to work as an intern under world-famous war photographer Nick Cameron, she knows that she's going to have to do whatever it takes to prove herself. There's just one thing standing in her way. One panty-melting, arrogant, despicable, irresistible thing.

Konstantin Sokolov is a man running from his past. He's got secrets, but that doesn't mean he has no honor. When he sees that his biggest competitor for a coveted position as Nick Cameron's intern is being treated unfairly, he decides to even the odds a little. It certainly doesn't hurt that she's the cutest thing he's ever met. Too bad for Konstantin that this little cutie isn't quite as sweet as she looks. She's got a fresh mouth and a bad attitude, and worst of all, he can't seem to get her out of his mind.

About this series: *The Sokolov Affair* is a four part series (kind of like a TV show) chronicling the love story of Charlie and Kostya. The entire series will be available in bundle form for \$3.99 in October of 2015.
