## **The Book of Caleb** Chukwudi C. Udejinegwo

Born in Onitsha Nigeria, a 4-year-old boy by the name of Chukwudi migrates to America with his mother and sister and almost completely loses his identity in the American institutionalized school system. Along with the peer pressure to look, talk, walk and live American, and fueled by media propaganda, it takes Chukwudi fifteen years before he reconnects with the Spiritual umbilical cord of Africa and another seven years before he frees his mind from the shackles "the land of the free" chained him to. Take an eight month journey with Chukwudi from May 1 of 2011 to December 29 of the same year and feel the turbulence on this fast track acceleration to self awareness when Spiritual consciousness is fed up with knocking at ones door and bust through mental levies like the waters of Hurricane Katrina. Travel through the mind of a once-brainwashed immigrant who was forced to pledge his allegiance to a foreign countries agenda. Feel the fire when the mind gets higher and then feel the blaze that brings the mental barbwire down to a glistening glaze. Take a hard look at the well-planned out maze that put some clueless families in a permanent daze. See how having inner-peace, love, and joy soothes pain. Know what breaks the evil hypnotic gaze. Then marvel at how the crawling caterpillar becomes a beautiful, aerial, multicolored, vibrant butterfly.
