**The first Sebastian Foxley Medieval Mystery by Toni Mount.**

The narrow, stinking streets of medieval London can sometimes be a dark place. Burglary, arson, kidnapping and murder are every-day events. The streets even echo with rumours of the mysterious art of alchemy being used to make gold for the King.

Join Seb, a talented but crippled artist, as he is drawn into a web of lies to save his handsome brother from the hangman's rope. Will he find an inner strength in these, the darkest of times, or will events outside his control overwhelm him?

Only one thing is certain - if Seb can't save his brother, nobody can.
