Following in the footsteps of Gale's award-winning American Decades series, U- X- L(R) American Decades covers 20th-century events and social history beginning in 1900 and ending in 1999, written expressly for middle school students. Each decade is covered in one volume with features including 600 black-and-white photographs and illustrations; Words to Know and Further Reading sections; and a general index. Chapters begin with a chronology of world events and a general overview of the decade. Chapters include the topics: Topics in the News, Headline Makers and Further Reading.
