CLASSROOM MANAGEMENT How to be the RULER of the Classroom: HOW TO WORK LESS WHILE THE STUDENTS LEARN MORE! Derrick Farmer

If you want to learn how to teach doing as little as possible while your students learn doing almost everything, keep reading. If a teacher is struggling to manage his or her classroom, it is outright ridiculous. If you want a no non sense approach to managing a classroom with the least amount of effort, than keep reading. This book is designed to eliminate the mistake teachers make that will cause them a year or life time of being an ineffective classroom manager. Most teachers cannot manage a classroom because they were never taught. Teachers will get exactly what they need, no fluff or page fillers, just best strategies to make the classroom easier while student are making better grades. There is no way a child or children should run a teacher's class. The teacher is the king of the classroom and students must understand this from day one. The classroom is not a democracy; it is a totalitarian society in which you are the king, ruler, president, boss etc. In order words, teachers are 100% in charge. The teacher is the executive producer, director, and writer and the students are the actors who will perform the tasks of the teacher on cue. If you want to leave work every day not tired and well rested while your other teachers are fatigued and complaining, I suggest you purchase this book now.
