"There's only one catch." He said, his eyes moving up and down her body. "I'm not using a condom, and I'm not pulling out."

Dawn's drowning in debt, and working two jobs while studying full time has her looking for any escape from her day to day life. When Kevin Walker, the elusive billionaire, comes to visit her college to celebrate the opening of a new building he just donated, Dawn catches his eye straight away.

He's always had a thing for black girls but never got a taste of chocolate before... and Kevin Walker *always* gets what he wants.

Using a job offer as an excuse to get her in his office, he reveals his real offer: He'll pay her student debt, give her more money than she can spend and change her life - as long as she lets him use her body any way he wants. Dawn's worked hard to get where she is and doesn't want to sacrifice her morals, but the offer is tempting... and Kevin *is* handsome...

One thing is for sure, if the billionaire gets what he wants, he's taking her *rough, unprotected*, and he's *not pulling out until he's sure she's pregnant*.
