Flowers in the Snow (Betty's Book) (The Edenville Series) (Volume 1) Danielle Stewart

If you step across the threshold of Betty Grafton's house, you can be sure of two things: she'll feed you until you're ready to bust and she'll love you before you even realize you're worthy of it. She's spent her life building a family that finally feels complete. But as sad news forces her to relive the darkest moments of her life, she decides to share the story with those she loves. Revealing the hard truth about growing up in the South during the 1960's is difficult but necessary. She tells the tale of how an unlikely friendship shaped her into the woman she is today. Exposing her mistakes, her fears, and her impossibly difficult heart break, Betty strives to teach them all what it means to truly love.
