Driven into hiding in the French Pyrenees by the advancing forces of a new one world government, Cardinal Leopold Amodeo receives a mysterious radio message from an unknown source in Northern Europe inviting him to a secret meeting. Fearful of a trap, and with time running out as a web of evil spreads across the globe, he must decide if he should leave the safety of his friends in an ancient Cathar sanctuary to travel alone into the far reaches of the north to meet with a man who may hold the key to their salvation.

In this, the fourth book in the "God's Lions" series, the non-stop action moves across the European continent as the cardinal and his dedicated team of scientists, code-breakers, archaeologists, and intelligence specialists join with others to face their greatest challenge yet in a climactic confrontation with an evil entity that has vowed to wipe them from the face of the earth. For those who enjoyed the first three novels in the series, this book is a must read!

\*Note to readers: The first book in the series, "God's Lions - The Secret Chapel", is currently in development for a major motion picture.
