Luz perdida (Policia) (Spanish Edition) (Harry Bosch) Michael Connelly

Un nuevo caso de Harry Bosch. "A medida que pasaban los meses, no hubo un solo día en que alternativamente no lamentara y me deleitara en mi decisión de abandonar el departamento de policía. Fue un periodo en el que mi principal tarea consistió en separar la placa y lo que ella representaba de mi propia misión personal. Durante mucho tiempo pensé que ambas estaban unidas inextricablemente. No podía tener una cosa sin la otra. Pero con el transcurso de las semanas y los meses me di cuenta de que una identidad era más grande que la otra, que la superaba. Mi misión permanecía intacta. Mi trabajo en este mundo, con placa o sin ella, era dar la cara por muertos." Desencantado con el cuerpo de policía de Los Angeles, Harry Bosch decide abandonarlo tras casi treinta años como miembro del mismo. Sin embargo, desea seguir ejerciendo y retomar aquellos casos que no pudo resolver durante sus años como agente. Uno de ellos es el asesinato de Angella Benton, una joven que trabajaba en unos estudios cinematográficos. Su muerte se produjo días antes del robo de dos millones de dólares que iban a utilizarse durante el rodaje de una película, y Bosch cree que ambos hechos podrían estar relacionados. Si en el ámbito profesional Bosch prefiere ahora actuar por su cuenta, en terreno personal también es un solitario. El recuerdo de Eleanor, su ex mujer, sigue vivo en su memoria; tanto, que Bosch decidiera visitarla en Las Vegas. / Fed up with the hypocrisy of the LAPD, Harry Bosch has resigned and is forced to find a new way of life. But the life of a retiree doesn't suit him. He has always devoted himself to justice, and he is still drawn toward protecting or avenging those whom the law has failed. When he left the LAPD Bosch took a file with him the case of a film production assistant murdered four years earlier during a \$2 million robbery on a movie set. The LAPD now operating under post 9/11 rules think the stolen money was used to finance a terrorist training camp. Thoughts of the original murder victim are lost in the federal zeal, and when it seems the killer will be set free to aid the feds' terrorist hunt, Bosch quickly finds himself in conflict with both his old colleagues and the FBI. He cannot rest until he finds the killer with or without a badge.
