The Letters of Christina Rossetti, Vol. 1, 1843-1873 (Victorian Literature and Culture Series) Christina Rossetti

In recent years Christina Rossetti's star has soared. Rossetti (1830-1894) has come to be considered one of the major poets--not just one of the major women poets--of the Victorian era, eclipsing her famous brother. Leading critics have demonstrated how studies of Rossetti's work, her daily life, her relationships with the Pre-Raphaelites, and her interactions with other women authors of the period can help us understand the unique cultural situation of Victorian women writers. When complete in four volumes, this project will make available all of Rossetti's extant letters, almost two-thirds of which have never been published.
