Four sexy stories, one sizzling price! The Line Collection includes all four Line novellas, including Love On The Line (Violet and Noah's story), Drawing The Line (Serenity and Jason's story), Outside The Lines (Jules and Blake's story) and Pushing The Line (Harper and Aaron's story), plus recipes and bonus material not previously published in the Trilogy.

Don't miss this chance to snap up the series that USA Today calls "smart, tart, and sexy"!

**Love On The Line:** Violet Morgan puts the personal in personal chef...right up until her twin brother's detective partner is injured in the line of duty. The last thing Violet wants is to get up-close and personal with tough, gruff Noah Blackwell...again. But despite their differences, Noah and Violet find heat in more places than the kitchen. When Noah goes back to active duty despite Violet's deep-seated fears, will these two simmer down, or will their feelings boil over?

**Drawing The Line:** Detective Jason Morgan must protect Serenity Gallagher from one of Brentsville's most vicious criminals after she witnesses a brutal crime at her diner. The task is easier said than done with Serenity reluctant to leave Mac's, the only place she's ever called home. As they bide their time in protective custody, the stakes get higher and the sparks burn hotter for Jason and Serenity. But can they draw the line?

**Outside The Lines:** Julianna Shaw walked out of Dr. Blake Fisher's life eight years ago. He never expected to see her again, let alone be tasked with coordinating Brentsville Hospital's charity fundraiser with her. But the sexy diner manager has secrets, ones that change everything both Blake and Jules once knew about love. Will the truth bring them back together...or send them apart for good?

**Pushing The Line:** Artist Harper McGee has never met a change of address she didn't like. So when she comes back to Brentsville to settle her beloved grandmother's final affairs, it's not for an extended stay...until Harper discovers that her grandmother has bequeathed her the family candy shop. Firefighter-slash-contractor Aaron Fisher is all too willing to help her with the renovations needed to sell the shop, but will he fix up her guarded heart, too?
