Alice Clayton

The Redhead (3 Book Series) Alice Clayton

From Book 1: Now available in eBook, *NY Times* bestselling author Alice Clayton's debut novel is a playful and erotic romance between an aspiring actress and Hollywood's hottest new leading man.

When Grace Sheridan returns to Los Angeles to become a working actress, it's a second shot at a life-long dream. With some help from her best-friend agent, will that dream become a reality--or at thirty-three, has Grace missed her chance at the big time? And when an unexpected sizzling romance with Jack Hamilton, the entertainment industry's newest "it" boy, threatens to shine an uncomfortable spotlight on her life, how will that affect her career...and his?

Funny, borderline neurotic Grace is perfect in her imperfections, and the sexual chemistry between her and charming yet blissfully unaware Jack is off the charts. With laugh-out-loud dialogue and a super-steamy romance that will get your heart racing, sneaking around in L.A. and dodging the paparazzi has never been so fun.
