Until Forever Comes (Mates Collection) Cardeno C.

A sensitive wolf shifter and a vicious vampire challenge history, greed, and the very fabric of their beings in order to stay together until forever comes. Plagued by pain and weakness all his life, Ethan Abbatt is a wolf shifter who can't shift. Hoping to find an honorable death by joining his pack mates in a vampire attack, Ethan instead learns two things: draining his blood releases his pain and his wolf, and he has a true mate - a vampire named Miguel.

Over four centuries old, strong, powerful, and vicious, Miguel Rodriguez walks through life as a shadow, without happiness or affection. When a young shifter tells Miguel they're true mates, destined to be together, Miguel sends him away. But Ethan is persistent and being together comes so naturally that Miguel can't resist for long. The challenge is keeping themselves alive so they can stay by each other's side until forever comes.
