Ghost of a Chance (Paranormal Cowboy Detective Mystery Thriller): Southern Gothic Ghost Story

Eric Wilder

Cowboy P.I. Buck McDivit is more than a detective. Lots more. When he inherits a fishing lodge from an aunt he never knew, he travels to her Gothic village in east Texas and discovers she was murdered. He also learns the fishing lodge and island it occupies is under foreclosure, his aunt's longtime employees black, and the racist judge controlling the legal action bent on owning the island for himself. Racial tension is high in this antebellum slice of east Texas that resembles the Civil War south more than the old west. The foreclosing banker is the father of a beautiful southern belle that captures Buck's attention, and his desires. To complicate things, the ghost of a girl that died from mysterious circumstances haunts the secluded island. Can Buck save his inheritance, his new-found friends' property from foreclosure, and his neck from snakes, alligators, and a host of racists bent on reshaping the south? Will he find romance with the a southern belle, solve his aunt's murder, and discover the supernatural and paranormal secrets of the island? With the help of an old voodoo woman he may just succeed. A bounder named Bones Malone, and a cache of lost Confederate gold may hold the answers. Ghost of a Chance is the first book in Eric Wilder's Paranormal Cowboy Series that includes Bones of Skeleton Creek. Hold on to your hats and prepare for a supernatural romp through the gator-filled swamps of east Texas.
