You don't have to be a professional teacher, a genius, or a structured person to homeschool well. Many people believe they can't homeschool because they are lacking some magical quality or skill successful homeschoolers have. The truth is that homeschooling can be done, and done well, by most ordinary people. Terrie Lynn Bittner's book will take you by the hand and show you how. She breaks the job down into doable chunks and carefully explains each part, giving you the confidence you need to get it done. Her explanations are clear and thorough. Down-to-earth and practical ... sensible and direct ... Designed to empower the novice toward home-schooling success, this book is friendly, reassuring and endlessly supportive ... like a very well-informed neighbor. (Publishers Weekly) In this honest and commonsensical book ... Bittner ... offers sound advice on legal issues, lesson plans, curricula, testing, teaching, values, preparing for graduation, and college ... This is an encouraging and helpful resource for parents considering homeschooling their children. (Booklist)
