List Building Blueprint: Learn how to build a responsive email subscriber list Bill Davis

Use this book as a model to build your own email list of subscribers. In it, you will learn all the steps you need to take in order to grow your email list. You will learn how to set up your list, drive traffic to your landing page, build compelling offers to entice people to sign up as subscribers, and create all of the supporting materials, pages, and follow up emails to make your email list building efforts more effective.

You will get a mini-course on Facebook advertising, too. While it's not comprehensive, it will get you started to building repeatable traffic that you can turn on or off any time you want. (Why turn it off? I have no idea!)

Building your email subscriber list is the single greatest asset you can build for your business. Take advantage of the tremendous opportunity you have available to you right now. Build that list, generate more revenue, and make a more profitable business for yourself.
