**Beyond the Bonus March and GI Bill: How Veteran Politics Shaped the New Deal Era** Stephen R. Ortiz

The period between World Wars I and II was a time of turbulent political change, with suffragists, labor radicals, demagogues, and other voices clamoring to be heard. One group of activists that has yet to be closely examined by historians is World War I veterans. Mining the papers of the Veterans of Foreign Wars (VFW) and the American Legion (AL), Stephen R. Ortiz reveals that veterans actively organized in the years following the war to claim state benefits (such as pensions and bonuses), and strove to articulate a role for themselves as a distinct political bloc during the New Deal era.

*Beyond the Bonus March and GI Bill* is unique in its treatment of World War I veterans as significant political actors during the interwar period. Ortiz's study reinterprets the political origins of the "Second" New Deal and Roosevelt's electoral triumph of 1936, adding depth not only to our understanding of these events and the political climate surrounding them, but to common perceptions of veterans and their organizations. In describing veteran politics and the competitive dynamics between the AL and the VFW, Ortiz details the rise of organized veterans as a powerful interest group in modern American politics.

This particular book reveal it information accurately using great plan word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but challenging core information with splendid delivering sentences. Having Beyond the Bonus March and GI Bill: How Veteran Politics Shaped the New Deal Era in your hand like finding the world in your arm, info in it is not ridiculous one. We can say that no guide that offer you world throughout ten or fifteen second right but this publication already do that. So , this is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

#### **Nikki Kirkland:**

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on

there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Beyond the Bonus March and GI Bill: How Veteran Politics Shaped the New Deal Era can make you feel more interested to read.
