Two Hearts: Brotherhood Series Vol 1 Vivian Rose Lee

As the personal assistant Rocky Curtis II, Quiana Morgan never did get along with Troy McAfee, Rocky's personal bodyguard. The two of them couldn't be in the same room for more than ten minutes before they were at each other's throat and she was calling him Thor or he was calling her Mighty Mouth. For a job well done, Rocky gifted her four member team a well-deserved four week vacation cruise. Once there however, Quiana and Troy picked up where they left off and were once again back at each other's throat.

One evening, tired of the club scene Quiana found herself walking the deck and Troy quickly tiring of his date found himself also walking the deck, only to find his nemesis Quiana leaning against the rail basking under the glow of the full moon. Neither was expecting a ship board romance and if you like, you can blame it on the moon, but true feeling came to the surface and one thing led to another, and the two of them wound up spending the night together. Deciding to put away the animosity they share for one another in the past and opting to enjoy the next four weeks together and the two of them were happier that they had ever been before and were in the process of making plans to continue their tryst once they returned to Philly, but when they docked at the pier, neither expected the drama that was awaiting them. With a low tolerance for nonsense Quiana left without giving Troy a chance to fix the problem, and returned to her home in Virginia.

Troy McAfee former bodyguard to Rocky Curtis-Singleton was devastated when Quiana left without giving him a chance to explain, vowing he would never forgive her hurting him. That was until her brothers found him and imparted a bit of news that would change his life and Quiana's life forever.
