## **Fieldwork: A Novel** Mischa Berlinski

When his girlfriend takes a job in Thailand, Mischa Berlinski goes along for the ride, planning to enjoy himself and work as little as possible. But one evening a fellow expatriate tips him off to a story: a charismatic American anthropologist, Martiya van der Leun, has been found dead--a suicide--in the Thai prison where she was serving a life sentence for murder. Curious at first, Mischa is soon immersed in the details of her story. This brilliant, haunting novel expands into a mystery set among the Thai hill tribes, whose way of life became a battleground for the missionaries and the scientists living among them. *Fieldwork* is a 2007 National Book Award Finalist for Fiction.
