I Love The 80s Megan Crane

Live in the now, they say, but for Jenna Jenkins, the now sucks. Her fiancé dumped her, and she's lacking the drive that might lead to a promotion at the eighties-themed cable station where she works. The only thing keeping her sane is her obsession with a brooding rock star, and an era, that died twenty-odd years ago. But then lightning strikes—literally—and sends her back to the year and the man she's loved her entire life. Jenna has no choice but to take action to save Tommy Seer, lead singer of The Wild Boys, from the tragic accident that only she knows will claim his life. But the real Tommy Seer is very different from the one who's spent all this time starring in her favorite fantasies. As Jenna falls deeper into Tommy's world—under his spell all over again, only this time without the schoolgirl crush—she realizes that his death was no accident. Can she find a killer, prevent a murder, and save the man she loves without everyone thinking she's crazy? And who thought shoulder pads were a good idea, anyway?
