**He's kidnapped one of their own, and now he's threatening to tear the world apart. But they'll go through hell and back to save the ones they love.**

At the far northern end of the Highlands, in a broken manor on the edge of Cape Wrath, their enemy -- the man who has brought ruin to their lives and relationships and kidnapped the mate of the dragon-shifter, Cyrus -- is ready to finish his plan to open the Immortal Gates and unleash evil on the world like it's never seen.

They've tracked him down, and now they're ready to strike.

**There's just one problem, the pack of wolves standing in their way...**

Leana MacGregor is the lone survivor of her wolf pack, the rest were enslaved by the Grey Wizard, including her mate, the pack's Alpha, and their young pup. She's waited in the shadows for years for the chance to reunite with her love. And now it's here. Can true love break evil's spell?

The Final Hunt is an 18+ novella and the fourth and final book in the Emerald City Witches series. This is not a standalone, and I recommend you read the others before reading this one. This book provides the HEA for the series, along with plenty of pulse-pounding magic, steamy scenes, and loads of Alpha-shifter action.

This book will be available for 99 cents for the first week only, so pick it up while you can!
