What Ever Happened to the Twelve Apostles of Christ? Philip Hatfield

The twelve Apostles were the foundation stones for the Church after Jesus' ascension to Heaven. The Gospels tell us a great deal about their interactions with the Lord, but other than Acts and a few places in the epistles, Scripture gives us little insight into their lives and ministries which literally "turned the world upside down." This book reviews Scriptures and various historic sources to offer a glimpse of the powerful ministries, trials and deaths of the twelve men who walked with the Lord Jesus Christ during his earthly ministry
