Dj Ape

Djape Does Sudoku: 300 Puzzles For Advanced Solvers Dj Ape

This is the first book by Djape with classic Sudoku puzzles.

There are **5 difficulty** levels with **60 puzzles each**. First 240 puzzles can be solved by using standard Sudoku solving methods: naked or hidden singles, pairs, triplets and quads, and row/column and box interactions.

The final level, the so called **INSANE**, contains puzzles which require you to use either the **X-Wing** or **Swordfish** techniques. How they're used is explained in the introduction.

There are no trivial puzzles in this book - even those in the **COOL** category can be tricky. So, sharpen your pencils and have fun!
