Equal Citizenship, Civil Rights, and the Constitution: The Original Sense of the Privileges or Immunities Clause (Routledge Research in Constitutional Law) Christopher Green

The Privileges or Immunities Clause of the Fourteenth Amendment is arguably the most historically important clause of the most significant part of the US Constitution. Designed to be a central guarantor of civil rights and civil liberties following Reconstruction, this clause could have been at the center of most of the country's constitutional controversies, not only during Reconstruction, but in the modern period as well; yet for a variety of historical reasons, including precedent-setting narrow interpretations, the Privileges or Immunities Clause has been cast aside by the Supreme Court. This book investigates the Clause in a textualist-originalist manner, an approach increasingly popular among both academics and judges, to examine the meanings actually expressed by the text in its original context.

Arguing for a revival of the Privileges or Immunities Clause, author Christopher Green lays the groundwork for assessing the originalist credentials of such areas of law as school segregation, state action, sex discrimination, incorporation of the Bill of Rights against states, the relationship between tradition and policy analysis in assessing fundamental rights, and the Fourteenth Amendment rights of corporations and aliens. Thoroughly argued and historically well-researched, this book demonstrates that the Privileges or Immunities Clause protects liberty and equality, and it will be of interest to legal academics, American legal historians, and anyone interested in American constitutional history.

Barbara Jackson:

Is it an individual who having spare time subsequently spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This Equal Citizenship, Civil Rights, and the Constitution: The Original Sense of the Privileges or Immunities Clause (Routledge Research in Constitutional Law) can be the solution, oh how comes? A book you know. You are thus out of date, spending your time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

Margie Rodriguez:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Equal Citizenship, Civil Rights, and the Constitution: The Original Sense of the Privileges or Immunities Clause (Routledge Research in Constitutional Law) can make you experience more interested to

read.
