Finding Mia Rachel K. Burke

Intelligent and fiercely independent, sixteen-year-old Mia Marchette has never had a childhood. After her father's disappearance when she was six, she has alone borne the burden of her mother's bipolar disorder. When her mother is institutionalized after a failed suicide attempt, Mia is abruptly forced to live with the estranged father she has not known for ten years. She is shocked to discover that he has created a new, picture-perfect life for himself, and is now living with a stepmother and a half-sister Mia never knew she had. Together, Mia and her new family must face the bitterness, mistakes, and long-hidden secrets that threaten to destroy their precarious happiness. Finding Mia follows Mia's journey as she searches to find the unanswered questions from her past, leading to her own self-discovery. Ultimately, this is a story of confronting pain and finding freedom, of letting go and learning to search for love in unexpected places.
