**Three full length novels set on the sun-baked beaches of Barefoot Bay for one low price!**

Meet the Barefoot Bay Brides -- three destination wedding planners who are experts at arranging dreamy "I do's" on the beach, but haven't found their own happily ever after...yet. This collection contains three full-length novels, the stories of how three bridal consultants kick off their shoes and fall in Barefoot Bay.

## **Barefoot in White**

Willow Ambrose has fought a battle with the scale for much of her life, but she has finally won the war. But when she comes face to face with someone who left an indelible mark on her heart years before, all that threatens to crumble.

Navy SEAL Nick Hershey is on medical leave, doing a friend a favor as a stand in "man of honor" at a beach wedding. When he realizes Willow is a girl he knew in college -- and a girl he unintentionally hurt to the core -- he knows he has some making up to do.

The closer they get, the more the past threatens to tear them apart. Nick and Willow learn the hard way that they can't change history, but does that mean they won't have a future?

## **Barefoot in Lace**

Destination wedding planner Gussie McBain needs a man...specifically, a wedding photographer. Just her luck that the shutterbug she runs into is more used to snapping pictures of glamorous models in couture gowns than brides in white lace.

Tom DeMille lives his life exactly as he pleases--always alone. In fact, he's got that motto tattooed in Greek on his arm. Then an alluring young woman with pink hair and a sassy mouth shows up at his door, and he agrees to do the unthinkable...photograph a wedding in exchange for help he desperately needs.

Will his own heartache and refusal to lay down roots prevent him from giving Gussie the family life she craves...or could she be the one woman who can finally break his vow of solitude?

## **Barefoot in Pearls**

As her two best friends settle into their happily ever afters, destination wedding designer Arielle Chandler is beginning to wonder if the promise of "The One" - one true love, meant only for her - is merely folklore passed down from her Native American grandmother. But when a mysterious man nearly mows her down on a hill overlooking Barefoot Bay, the legend of destined love suddenly feels very real.

Luke isn't proud of the fact that he spent ten years as a mercenary warrior, fighting battles for another country. But when an enigmatic dark-eyed beauty steals his attention with her announcement that he is about to flatten a native burial ground, Luke has a new battle to fight.

Luke and Ari soon discover the hills of Barefoot Bay could be hiding something far different - and even more valuable - than ancient art or graves. Will they risk their chance at once-in-a-lifetime love to uncover secrets that could change the landscape of Barefoot Bay forever?
