**Undercover Bear: Harrison (BBW Paranormal Bear Shifter Romance)** Terra Wolf, Meredith Clarke  
Ever since a one-night stand with a curvy diner waitress, bear shifter James Harrison has been throwing himself into his work. There's a murderer running around Seattle and it's his job to catch him. The bodies are piling up, but suddenly when Penny shows up after a year of no contact, a murderer seems to be the least of his worries.

Penelope has been hiding a secret from the hot detective who used to visit her at the diner, because what should have been a one-night stand turned into something more permanent when she found out that she was having his baby. Now she's on the run from an organization attempting to take their son from her. Penelope's natural instinct is to keep him safe, but the only way to do that is to get help from Harrison.

Only problem is, he doesn't even know he's a father yet.

This is a STANDALONE shifter romance with a HEA and NO Cliffhanger.
