## **Value Investing Today** Charles H. Brandes

Value investing has long been recognized as an effective investment strategy. This book brings the reader through the strategies and thought processes used by professional value investors, using clear language. It presents the concepts, implementation and benefits of value investing and includes an expanded section on international value investing with "how-to" information on investing overseas. All data, statistics, anecdotes, illustrations and graphics have been updated and the final chapter explores structuring the portfolio for maximum returns.
