2012 USA Best Book Awards Finalist! Final Exam Question #1 Is an independent woman destined to remain single forever, or can a wife training course turn a mess into a Mrs.? Thriving Atlanta mogul Amber Ross thinks she is the perfect woman. But when she finds out that her recent ex-boyfriend is marrying someone else, she begins to question what men really want. Frustrated with the dating scene and her failing interactions with men, Amber enrolls in a course at her church geared towards teaching women how to be effective in their relationships: Wife 101. Amber expects the class to shed some light on her courting flaws, but it does more than that - it challenges many of her life choices and ideas about romance. Her new attitude brings unexpected love, but has she learned enough to make the right choices and snag a great husband, or like a foolish woman, will she tear down her home with her own hands?
