Developed in part under Ontario's popular Arts in the Wild program, an alliance of 23 arts organizations and tourism operators, this guide for the creative spirit is organized according to the province's major travel regions.

The authors discuss each region's art history, provide detailed information on unique courses and workshops available to artists, list galleries and studio tours, and profile a few of each region's most interesting professional and amateur artists. Also included is a special look at Ontario's Native art and artists. The guide is richly illustrated, with color photographs of scenic locations throughout Ontario and pictures of artists in their studios.

The result is an inspiring "where-to" book for any visual artist with a love of nature.
