## Apocalyptic Paul: Cosmos and Anthropos in Romans 5-8

Romans 5-8 revolve around God's dramatic cosmic activity and its implications for humanity and all of creation. *Apocalyptic Paul* measures the power of Paul's rhetoric about the relationship of cosmic power to the Law, interpretations of righteousness and the self, and the link between grace and obedience. A revealing study of Paul's understanding of humanity in light of God's apocalyptic action through Jesus Christ, *Apocalyptic Paul* illuminates Romans 5-8 and shows how critical this neglected part of Romans was to Paul's literary project.
