We keep hearing about weakening faith in our country, but God is alive and well in America. He is working right here and now in people of faith. This book will awaken your heart and soul to his presence and to the power of Christianity today, which will in turn ignite your faith and change your world.

Christians in America are inundated with negative stories and statistics about the decline of the faith. Awakening is a very encouraging counter balance of astounding stories of God at work all around the world, and it will inspire you to take part.

Brown shares a collection of stories from his own experience that will deeply move and inspire Christians burdened over the state of our nation. He shares detailed descriptions of movements of faith reaching countless numbers of people for Christ--movements of deeply grounded faith in America led by the next generation.

This is a book that at every turn awakens believers to God's amazing work, and how they can be inspired to see the touch of God in their own community and church.
