The Course's Shortcut Kenneth Wapnick

A prevalent trend in society today is the desire to accomplish things faster and faster, to attain instant satisfaction, instant results, and so on. This often creeps into people's work with *A Course in Miracles* as well, resulting in attempts to devise shortcuts to completion of the lessons. This 3-CD set (2 hrs. 39 mins.) therefore focuses on the essence of the process that students ideally would have to follow to attain the goal of the Course, given their firm belief in the reality of the body and the world. The three books of *A Course in Miracles* thus help us understand the need to spend the rest of our lives living out this "organized, well-structured and carefully planned program" of forgiveness (T-12.II.10). Humility, constant vigilance, and willingness to do the work become the keys to progress in learning and practicing the message of love emanating from our inner Teacher.

We are therefore embarking on an organized, well-structured and carefully planned program aimed at learning how to offer to the Holy Spirit everything you do not want. He knows what to do with it. You do not understand how to use what He knows. Whatever is given Him that is not of God is gone. Yet you must look at it yourself in perfect willingness, for otherwise His knowledge remains useless to you.
